Hello fellow Allotmenters,

The events team, with the support of the trustees, have been busy over the last two months planning the enclosed programme of events for the coming year.

It is hoped that there is something of interest for all members and I would like to warmly welcome you to come along and join in.

I am sure that some of the activities will be very popular, so I would encourage you to visit the MRALGA shop and book early,

Please see the events notice board in the hut and MRALGA website for further event details.

All best wishes

Maria
