MRAGLA NEWS

SPRING NEWSLETTER – APRIL 2023

From our Chair...

MARIA MOON

As we embark on another joyous year of cultivation and growing. Please remember we are all part of one community, be kind, help each other and please be conscious of your neighbor's boundaries.

The WOOWOO is now open and fully functional.

We continue to fundraise to evolve the amenities on site. New ventures for this year, include new communal seating and the last 2 security doors to be replaced at the hut. Over the winter we have also repainted the floors in the kitchen and shop areas.

Please note due to the high demand for plots we will be completing plot inspections monthly. Those tenants not cultivating and growing will receive letters. We can no longer support those tenants that do not support themselves. So please keep on top of the up keep of your plot during the growing season.

Have a great summer folks.

Happy Digging!

PLOTS – SPRING 2023

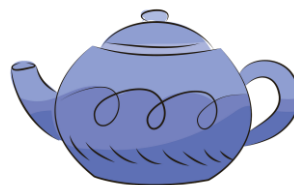

Dear Tenants,

We have a FULL allotment site. We also have a growing waiting list. Those on the waiting list are very keen to join us at Mile Road Allotments. Like yourselves, they appreciate we have great growing conditions along with the benefits of a shop, tea room and new toilet facilities.

We hope this year that we WILL NOT be sending out adverse letters re cultivation. Plot inspections take many hours to complete and we like yourselves would much prefer to be spending those precious hours tending and enjoying our own plots. Therefore, we implore you to please look after your plot to the best standard you can.

Have a great growing season!

Maria & David.
